

## Dear Special Event Host,

Any event at Edg-Clif Farms and Vineyard is a special and exciting event – one of the most memorable of your life. We offer your guests a charming, comfortable but unique experience in the midst of romantic gardens and thriving vineyards on a historic Missouri property.

### LOCATION

Edg-Clif Farms is so accessible. It's only a 90 minute drive from downtown St. Louis or the Airport, and 2 miles from the popular Trout Lodge Resort and Conference Center. Just 8 miles from Potosi, Missouri in the heart of the Ozark Mountains wine region. Edg-Clif is easily reached from St. Louis, St. Charles, Columbia, Rolla, and Farmington.

### FACILITIES

Edg-Clif has hosted many summer, fall and winter events in several different locations on the farm, which can be customized to suit your own vision. **The Open-Air Pavilion** overlooking vineyards and gardens offers a cozy setting for groups of 70 or less in front of the massive stone fireplace. The tree-ringed **Wedding Field** is a lawn area large enough for a 60'x120' event tent, perfect for larger parties of 250 and enough room for a dance floor and stage.

Edg-Clif is proud of "**The Party House**", with 5 individual bathrooms including a handicap accessible space so all your guests will be comfortable throughout the event.

Parking on the property for 200 cars is conveniently near the various event sites.
